

What is Your Community Alerts?

Your Community Alerts is Gloucestershire Constabulary's and the Office of the Police and Crime Commissioner's free messaging system to keep residents and businesses up to date with what's happening throughout the county.

Whether you live in Gloucester, Cheltenham, Tewkesbury, Stroud, the Forest of Dean or the Cotswolds, you can receive up-to-date messaging about incidents that may affect you.

Don't worry, we won't bombard you with every incident or appeal. You can choose the type of alerts you wish to receive. For example, you can help tackle crime by registering for witness appeals or keep ahead of those traffic jams by registering for road closure alerts.

We want to send you information that's relevant to you to help to keep you informed about policing in Gloucestershire.

You can also reply to our messages so that we have an additional route to listen to what you have to say.

With your help we can have a greater impact on preventing and detecting crime and anti-social behaviour in our communities.

Our service is entirely free and you can receive messages in a way that suits you, whether that's by email, text or voicemail.
